linkedin.com/in/kritagypoudel · Dhulikhel, Nepal

Second-year Bachelor in Health Informatics (BHI) student at Kathmandu University with a 4.0 GPA across three semesters. Focused on the intersection of healthcare and technology, including digital health systems, clinical data workflows, and networked care for underserved areas. Hands-on experience in Python development, delay-tolerant networking, and chronic disease management systems.

01 EDUCATION

Bachelor in Health Informatics (BHI) 2024 – Present
Kathmandu University, Dhulikhel, Nepal. Currently in 2nd Year, 2nd Semester. Class topper with a 4.0 GPA across three semesters.

02 PROJECTS

Chronic Disease Management & Tracking System Team Project
Built with the Health Informatics department to help clinics track and manage chronic disease patients. Presented as part of a project defense in Teku, Kathmandu, and featured in a departmental LinkedIn post.

Delay-Tolerant Network Training Project May 2026
Selected with two peers for a 5-day UNESCO-affiliated ICTP workshop. Hands-on work with Raspberry Pi networking, ION DTN software, and IoT sensor systems, including exposure to the Trishuli River environmental sensor network. Learned from Nepali innovator Mahabir Pun and visiting researchers.

Research Paper In Progress
Currently finalizing an independent research paper ahead of submission for publication.

03 EXPERIENCE & ACTIVITIES

Telemedicine Field Visit, Rasuwa 2025
Observed telemedicine services in practice with the Telemedicine Society of Nepal, as part of the program's first-batch cohort.

Volunteer, 19th IFIP WG 9.4 Conference May 2026
Volunteered at "Reorienting the Digital Ethics Ontology for a Sustainable Future," hosted at Kathmandu University.

STEAM Material Competition Dec 2025
Presented an original idea to a review panel at a national competition organized by Nepal's Ministry of Education, Science and Technology.

04 SKILLS

Python

MySQL

Django

Delay-Tolerant Networks

IoT / Raspberry Pi

Health Informatics

Clinical Data Workflows

05 HONORS

SCHOLARSHIP

Bishwo Nath & Nanda Kumari Adhikary
Endowment, Jul 2025

GPA

4.0 across 3 semesters
